# of Way-More Control Units required?	
Electrical end? 110V or 220V:	
Ground Shipping OK?: If no, give special instructions please	
Signature:	

All sales orders will be followed up to confirm order, and an invoice will be sent to the email specified.  
Invoices are to be paid before the devices are shipped, unless otherwise agreed upon.  
Shipping is by regular ground shipping, which is most economical, unless otherwise requested.  
Additional shipping charges apply. Ground shipping is 6 – 9 business days across North America.

**Thank you very much for your business, we look forward to working together!**
